### Eight Persons Are Rescued From Isolated Mining Camp After Being Marooned for More Than a Month

VICTORIA—Eight persons Wednesday night were taken from the isolated mining camp on Vancouver Island's Muchala Arm, where they have been marooned for more than a month. They adopted a food rationing system when supplies started running low.

The captain of the tug "Island Commander," told Victoria police by radio telephone that seven adults and one child are being evacuated and that four other persons left earlier. It is believed that eleven persons were settled at the camp, 145 miles northwest of Victoria.

The rescued were identified as H. K. Anderson, a miner, his wife and three year old child; J. A. Sloan, miner, and wife; Mr. and Mrs. William Sloan. The thick ice had apparently isolated the camp and a cruiser, stationed there, was unable to operate.

### BOXER RETIRES

VANCOUVER—Eddie Haddad, Canada's top male athlete in 1948, ships out today aboard the HMCS Ontario, and has retired from boxing at the age of 21 years of age. The Winnipeg boy, whose first loss came at the Olympics last year, holds the Canadian Amateur lightweight title. He won the Manitoba lightweight title in 1946 and later took the B.C. title, the Western Canada diamond belt, and the Northwestern United States Golden Gloves crown. He won the Norton H. Crow Memorial Trophy last year as Canada's outstanding athlete.

### EARLY FEDERAL ELECTION?

OTTAWA—Political developments seem to be veering in the direction of an early federal election—perhaps sooner than many people think, according to political observers in the Canadian capital.

Developments indicate the government has scrapped the idea of a 1950 election, and there is speculation that Canadians may go to the polls in June. There is a suggestion in the throne speech that the government may be figuring on getting plunged into an election contest even before the newly-launched session of parliament is over. There was a hint that this year's budget would lower taxes. Normally a government does not hold out such an enticement in a throne speech, particularly one such as this, as high taxation during a high earning period is generally the practice.

### DREW CLASHES WITH PRIME MINISTER

OTTAWA—Two new parliamentary leaders came face to face when Prime Minister St. Laurent, and Progressive Conservative leader George Drew clashed for the first time in the opening session of the house. They disagreed on the complicated question of procedure. Ex-Prime Minister Mackenzie King sat for the first time in many years as a private member.

### SNOWBOUND VILLAGE RESCUED

WINNIPEG—Fifteen days of snowbound isolation ended today for the little village of Wakopa, 135 miles southwest of here, but another hamlet, Neelin, 25 miles northeast of Wakopa, is running short of coal and food. The Manitoba government snowplow broke through to Wakopa yesterday. Trucks carrying 18 tons of coal, and a ton and a half of food followed. Residents said they couldn't hold out much longer.

### LABOR GOVT WINS BY CLOSE MARGIN

LONDON—By the lowest margin of victory accorded during the present session of parliament, the Labor government won grudging support on its Palestine policies, formulated by Foreign Secretary Bevin. The vote was 233-129, following a half hour debate.

It marked the first major cleavage between the government and the opposition on foreign policy. Churchill berated Bevin for his "folly and stupidity." Bevin listened impassively. Bevin said the final act of recognition will be taken within a few days. One member of his own party turned on him, and said, "If any single man is responsible for the growth of fascism on one side and communism on the other it is the man who conducted the British policy in Israel during the last three years."

## Noted Ski Jumpers Will Be Competing in Local Tournament on Sunday

Four of Western Canada's best Class A jumpers will be here Sunday for the Kelowna Ski Club's staging of the first Okanagan invitational jumping tournament, club officials confirmed this morning.

In addition other jumpers just as renowned are probable. A carload of Princeton's best senior and junior jumpers is leaving Saturday for the Kelowna Ski Bowl. A bus load from Revelstoke, including the mountain country's best ski jump artists and a score of spectators will be here for sure, officials also announced.

Such name stars as Henry Sotvedt, Ole Johansen and Jim Henniger, all from Vancouver, and Art Johnson and Don Segur from Revelstoke, together with the finest snow conditions in years has brought an atmosphere to the city almost comparable to Regatta time.

Others coming from Revelstoke are Jack White, a first class junior jumper, Craig Rutherford, Dave Croll, John Cutler and seven junior competitors.

Names of the men making the jump from Princeton were not available at press time, but Noel Paul is reported unofficially to be among them.

### Never Such Talent Before

A spokesman for the ski club this morning said: "There never has been such a galaxy of Class A jumping talent in the Valley before. Our tournament has sprouted almost overnight into a real Class A event."

The final chapter of the proposed visit of Sir Malcolm Campbell to Kelowna, was written this week, when the board of trade received a letter from Donald Campbell, son of the British speed-boat king.

Addressed to T. Greenwood, last year's president, Mr. Campbell wrote: "On behalf of myself and my family, may I extend to you our sincere thanks for your kind cable of sympathy in our great loss. There is little, or nothing, one can say at these times, but I do deeply regret that father passed away before his life's work was completed."

"He spoke much of his proposed trip to Canada and was greatly looking forward to the visit. After all the kindness you have shown him, I realize only too well the disappointment that must inevitably follow the sad news of his passing. There are many of us left behind who worked with him and had great faith in his theory—whether or not we will be in a position to carry on his work is, as yet, a matter to be determined."

With kindest regards to you, the members of your board and Mr. and Mrs. Buss—Donald Campbell.

"I guess that closes the Sir Malcolm Campbell file," remarked F. N. Gisborne, president.

Earlier it was stated all the money collected in the "Bluebird fund" had been returned to the donors.

### TRADE BOARD WANTS WATER CHANNEL OPEN

Kelowna Board of Trade has sent a telegram to Hon. E. C. Carson, minister of public works, requesting that adequate steps be taken to keep the channel open in order that ferry service may continue on Lake Okanagan between Kelowna and Westbank.

At an executive meeting Tuesday afternoon, several members pointed out the necessity of completing the Naramata road.

"Ten years ago when the lake was frozen for a week or ten days, felghs had to be used to transport people across the lake. With the tremendous increase in population, coupled with additional highway traffic, this would be out of the question today," Mayor W. B. Hughes-Games declared.

F. N. Gisborne, trade board president, said that L. E. Willis, district provincial government engineer, had been promised to co-operate in keeping the channel open, even if it is necessary to use a railroad barge to break the ice.

Tuesday afternoon it took the ferry over three hours to make the normal half hour return crossing.

### ACCOUNTANCY EXAMS PASSED BY CITY MEN

Two Kelowna students have successfully passed final chartered accountancy examinations set by the Dominion Association of Chartered Accountants last November, while three other local students passed primary examinations, according to the board.

L. A. Baldock and H. R. Holson passed their final exams, while G. D. Liverage, R. G. Wall and B. Woods were the other local residents who passed primary tests. A. P. Dodd and W. McCubbin, both of Vernon, and G. F. Moore, Nelson, and J. F. W. Parker, Penticton, also passed primary exams.

Katsumi from B.C. attained the highest percentage of passes of any province in Canada. G. A. Chambers, Vancouver, obtained second place in the dominion examinations in the final, and J. B. Thomas, Vancouver, obtained first place in the dominion intermediate examinations.

### McNair Resignation

The announcement made today that D. McNair has tendered his resignation as sales manager of B.C. Tree Fruits Ltd. and that it has been accepted will come as a surprise to most people. It will create something more than casual interest because of the wide ramifications of the firm which Mr. McNair served and fronted in the sales world. For this reason Mr. McNair's resignation will demand a little more than the ordinary interest given a change in executive personnel in a large butted organization.

Mr. McNair has been sales manager of B.C. Tree Fruits since its formation in 1939. The primary purpose of the organization was to sell the fruits and vegetables of British Columbia and the success achieved in this must be considered in some degree as a compliment to the sales head of the firm. Mr. McNair has done an outstanding job with B.C. Tree Fruits; he has made a valuable contribution to the fruit industry and through it to the welfare of the Okanagan Valley.

However the departure of Mr. McNair from B.C. Tree Fruits does not mean that organization is going to collapse; it does not spell disaster to the fruit industry as some may be prone hastily to conclude.

In the first place no man is indispensable; every man's duties can be assumed efficiently by some other. In the second place, the same wise direction which originally brought Mr. McNair into B.C. Tree Fruits and which has made and guided the policies during the past ten years, is still present and, even now, must be considering replacement prospects. Moreover, today B.C. Tree Fruits has a sales staff and a general staff quite familiar with the routine and capable of carrying on under new direction without undue disturbance.

When Mr. McNair finally steps out of B.C. Tree Fruits in June, his ability and flair will be missed, but it will be an incident in the fruit industry similar to that in any large business, a change of executive direction. These things inevitably come to any large organization and inevitably are overcome. In June Mr. McNair will step out and a new sales manager will step in and the organization will carry on its normal selling routine without interruption.

Any executive change at a high level, of course, does affect the organization through different personalities and different methods. These are inevitable. The effect of the present change on B.C. Tree Fruits can only be properly evaluated after some period when the new sales manager has had an opportunity to work into the picture and demonstrate whether he and his methods are as effective as those of the past ten years.

Certainly in the McNair resignation there is no cause to cry "Disaster." Some will be prone to do so, but these will be forgetting that this change had to come some day and others must come, too. We have great admiration for Mr. McNair's ability and judgment and his retirement is a "tough one" to take. Nevertheless, the system which the growers have devised and implemented and which has shown far better results than anything heretofore attempted, cannot rely entirely for its success on personalities. It, like all commercial ventures, must be able to operate efficiently and successfully on its merits, granted sane and careful supervision and management.

The same direction which has guided B.C. Tree Fruits over the past ten difficult years should be capable of dealing with the loss of valued employees—invaluable in such commercial undertakings.

### McNair, Fruit Sales Head Tenders His Resignation To Be Effective in June

Has Been Sales Manager of B.C. Tree Fruits Since Formation of Company in 1939—A. K. Loyd Issued Statement This Afternoon—Says McNair Seeks Some Leisure Time—McNair On Way East to Fruit Conventions and Unavailable for Comment—Has Spent Twenty-Seven Years Selling Fruit

D. McNAIR, sales manager of B.C. Tree Fruits Ltd., has tendered his resignation, according to a statement issued this afternoon by A. K. Loyd, president and general manager of the grower owned and controlled company. The resignation will become effective in June.

When queried by the Courier, Mr. Loyd stated that no successor to Mr. McNair had been appointed but that the matter was now being considered by the board of governors.

Mr. McNair left on Tuesday to attend fruit conventions in Eastern Canada and was not available for comment. As his resignation does not become effective until June, he will conduct the marketing of the balance of the current crop.

Mr. Loyd in his brief statement has been actively connected with the fruit business for twenty-seven years and during that period handled the selling of much of the fruit crop of the Interior.

During the thirties he was sales manager of Associated Growers with headquarters at Vernon. When B.C. Tree Fruits was formed in 1939 and the selling of the crop passed out of the hands of the packing houses, Mr. McNair was drafted from Associated Growers and made sales manager of the new firm. His appointment brought considerable confidence on the part of many growers in the new organization.

He has continued in that capacity. Last week in Penticton at the BCFGA convention he caused something of a sensation by his blunt remarks to the growers. Always known as a plain speaker, on that occasion he hit straight from the shoulder. Among other things he

### Semi-Finals Will Open March 2

With the announcement this week that the B.C. intermediate (senior B) hockey semi-finals were scheduled for March 2, 4 and 5, the remaining schedule of the Mainline-Okanagan league had to be speeded up so that a winner could be declared in time.

Mistake in concluding on February 24, the revised schedule—keeping the same number of games—provides for the last league game to be played on February 15. As of now, all three teams—Kelowna, Vernon and Kamloops—have eight games left to play.

Home night dates for the three teams remain unchanged but some switching around for the visiting team has been made. With five home games left and three away, Packers will play twice here next week and the following week. Vernon and Kamloops have three home games remaining and five away.

Revised schedule will be published in Monday's Courier.

Important Meeting  
Mainline-Okanagan league play-offs will get away as soon after February 15 as possible. Second will play third in a best of three series in the Okanagan—at Vernon and/or Kelowna—on March 2, 4 and 5. Another semi-final series will be played on the same dates at Nanaimo between the Pacific Coast champs and the northern titlists.

A special meeting has been called by Frank Becker, of Vernon, BCAA president, for Wednesday of next week, at the National Hotel at Vernon, at 3 p.m., to discuss full details of minor and senior B play-offs. All officials of all divisions in the Okanagan and Mainline districts are urged to attend.

In the B.C. semi-finals, the Kootenay champions will hook up with the Mainline-Okanagan champs in a best of three series in the Okanagan—at Vernon and/or Kelowna—on March 2, 4 and 5. Another semi-final series will be played on the same dates at Nanaimo between the Pacific Coast champs and the northern titlists.

### WHO WANTS SICAMOUS?

City Council has given service clubs and other local organizations one more week to make up their minds as to what they will do with the S. S. Sicamous, who are to give the lake steamer to the City of Kelowna. At present it is berthed at Okanagan Landing.

Some time ago the Whitehorse Navigation Company offered the city \$2,500 if it would relinquish its rights to the vessel. At that time the northern Alberta firm planned on putting it back into service, but it is understood these plans have now been dropped.

Last Monday night, City Council received a letter from H. E. Cox, 1478 Water Street, on behalf of a group of ex-servicemen who are willing to take the vessel over and make it into a tourist camp. Mr. Cox pointed out it would be a unique tourist attraction for the city.

However, the major snag confronting council to this proposal is the fact the boat would be in the wrong zone for a tourist camp. Another alderman questioned whether the C.P.R. would allow the city to sell the vessel.

It is understood the City of Penticton is also after the vessel, and that it is planned to anchor the vessel off shore and use only the hull. Some aldermen were in favor of letting Penticton have the pioneer lake steamer.

### Proposed Salary Schedule Would Boost Junior and Senior High School Salaries Around \$448 and Elementary \$365 Over 1948 Scale—School District No. 23 Releases Correspondence Regarding Dispute—Teachers Want Same Increase as that Given Penticton Teachers

### Trustees Hold Meeting

INCREASE in teachers' salaries which would amount to \$49,400 has been refused by the Kelowna and District Teachers' Association, who in turn have demanded that the matter be placed before a board of arbitration.

This was revealed this morning by trustees of School District No. 23, who made an alternative wage increase proposal following a special meeting of trustees representing every town and city between Revelstoke and the border.

Under the proposal, individual salaries offered by the board would increase junior and senior high school salaries about \$448 over 1948 wage schedule. The average salary would be \$2,836 ranging from \$2,100 to \$4,685, depending upon qualifications and teaching experience. Elementary school teachers would get an average increase of \$365 over 1949 with the average salary \$2,382. Salaries would range from \$1,645 to \$3,910, depending upon qualifications.

The Kelowna District Teachers' Association, are asking for the same increase—about 27 per cent—granted Penticton teachers by a board of arbitration a short time ago. It is understood the Penticton School District is appealing the decision to the appeal court of British Columbia.

The local teaching body held a special meeting Tuesday night at which time they rejected the Kelowna School District's wage proposal. They are asking for a reply on or before Friday (January 28), so that the necessary arbitration can be completed before February 14. They have indicated V. L. Dryer, of Vancouver, will act on their behalf during arbitration proceedings.

It has been pointed out by school district officials, that based on dominion statistics, B.C. paid the highest teachers' salaries in 1947. By provinces they are: British Columbia, \$2,042; Alberta, \$1,548; Saskatchewan, \$1,265; Ontario, \$1,514; Manitoba, \$1,304; Nova Scotia, \$1,241; New Brunswick, \$971; Prince Edward Island, \$816. The average increase offered junior and senior high school teachers is more than half the total amount a teacher received in Prince Edward Island, it was pointed out.

Hold Meeting  
Valley trustees, representing Keremeos, Princeton, Oliver, Penticton, Summerland, Kelowna, Vernon, Armstrong, Salmon Arm and Revelstoke held a special meeting in the city last Thursday.

It was unanimously agreed that it was unreasonably agreed that "Whereas the cost of living has increased 25 per cent since the Vernon salary arbitration award, (December 1948). Therefore be it resolved that this board agrees on record as proposing the following scale of salaries for 1949 (for all teachers whose salaries are not otherwise fixed by arbitration), and that if this proposal be rejected by the teachers, the member boards exercise their right to arbitrate salaries for 1949, only, and not a schedule."

The following wage proposal was submitted by Kelowna school trustees to the local teaching body:

Years of teaching	Elementary school	Secondary school
1	1,625	2,000
2	1,725	2,100
3	1,825	2,200
4	1,925	2,300

Details of the proposed hotel are lacking, but it is understood construction may get underway almost immediately.

The El Rancho Inn was burned to the ground several weeks ago.

Submitted a break-down in building permit figures to City Council Monday night. Total building permits were valued at \$2,825,478.

Mr. Clarke pointed out that in 1947, 202 new residences were built for a value of \$868,625, whereas in 1948, 182 new homes were built for a value of \$992,049. The average price per home in 1947 was \$4,300, while last year, the average figure was \$5,450.

Ten years ago, construction values totalled \$140,665, while in 1928, the total was \$200,000.

Total of 538 building permits were issued last year. A break-down in figures show 13 public buildings were constructed at a value of \$1,008,459; 52 business buildings, \$565,544; 25 business additions, \$37,992; 182 residences, \$992,049; 117 additions to residences, \$86,894; 73 garages, \$16,145; 39 outbuildings, \$5,380; 38 signs, \$11,024.

### First Unit of City Hall May Be Built This Year

POSSIBILITY of the first unit of the city hall being constructed this year, was seen this week when Mayor W. B. Hughes-Games appointed a three-man committee to compile data on the proposed administration building. Police quarters, however, will not be included in the proposed building.

This action was endorsed by the Kelowna Board of Trade, but at the same time pressure will again be put on the B.C. government to construct a provincial government building in the city. Alderman W. T. L. Roadhouse brought the matter to a head at last Monday night's council meeting when he suggested the mayor set up a committee to study the matter. Council unanimously went on record favoring a city hall for civic administration only and agreed it was up to the province to look after the police building.

Mayor Hughes-Games outlined the council meeting. Mayor Hughes-Games revealed that 11 out of 25 municipalities have police quarters provided by the province.

The proposed city hall would be built on the civic centre site facing Lake Okanagan. Aldermen

## EAST KELOWNA CRIBBAGE GAMES COMMENCE AGAIN

EAST KELOWNA—The cribbage games sponsored by the P.T.A. are held in the school every other Thursday.  
The first—held on January 6—saw Mr. and Mrs. C. Wilson the winners, and on Thursday, January 20, Mr. and Mrs. W. Murrell were the lucky ones. There was a good turnout each evening in spite of the cold weather. During the evening refreshments were served by the members of the P.T.A.

Mr. and Mrs. A. M. Thompson were the guests of Mr. J. H. Weldon, on Tuesday of last week, the occasion being Mr. Weldon's 60th birthday.  
Mr. Weldon, who is the father of Mrs. Thompson, enjoys the best of health and has a very happy and cheerful disposition.  
He attributes his age to having lived a very active life.

Mr. and Mrs. L. G. Evans are being congratulated on the birth of a son.

J. Rehlinger and Nigel Povley were visitors in Penticton for the B.C.F.A. convention together with H. Hewlett, F. Thorne, E. F. Hewlett and E. E. Hewlett.

Mrs. Cap Reiger is a patient in the Kelowna General Hospital.

## EAST KELOWNA PLANS SCOUT, GUIDE WEEK

EAST KELOWNA—The Girl Guides committee held their regular monthly meeting recently at the home of Mrs. W. Hince with the president in the chair and eight members present.  
After the usual business, Boy Scout and Girl Guide Week were discussed and plans were made for some entertainment during the week of February 20 to 27.  
Afternoon tea was served by the hosts.

The East Kelowna Boy Scouts, under the supervision of the Scout Master, enjoyed a compass ski patrol on Saturday last. T. Carter, F. Thorne, and H. Hewlett provided the transportation.  
The Scouts met in the Community Hall, Wednesday of last week, and were instructed in first-aid and signalling.

## GLENMORE

Several members of the Ladies' Auxiliary made a survey last week of pre-school age children in connection with the proposed new school for Glenmore.

Mr. Ivor Newman left Saturday to attend the Canadian Federation of Agriculture Convention at Saskatoon, the Canadian Horticultural Council Conference at Ottawa and the Canadian Fruit and Vegetable Jobbers Association Convention at Montreal and Quebec City.

Mr. Paul Ponich, Kamloops, visited his father and mother over the weekend.

The Glenmore Citizens' Forum met at the home of Mr. and Mrs. Turner last Friday evening to hear a panel discussion on "The Future of the Community". The members had their own lively discussion and a report was sent to the B.C. Forum.

## RUTLAND BAND MAY BE FORMED

RUTLAND—At a meeting held in the Community Hall the possibility of a Rutland Band was discussed. Mr. Rutland and Mr. Blanco offered their services as instructors, and a committee of three were chosen to draft a slate of officers for a proposed Rutland Band Association. The committee members are Mr. Rutland, George Day and D. H. Campbell.

A meeting for organization will be held shortly. Kermit Rutland advocated the formation of a band for a start as being less expensive, and capable of being ready in a very short time. From this the organization could build up into a full fledged brass band.

The Rutland Community Recreational Club was formed at a meeting in the Community Hall last week, with the following officers: president, William Hinch; vice-president, Bill Jurasevich; secretary, Miss Linda Deutscher; treasurer, Tom "Bud" Williams.  
The society will specialize in indoor sports such as boxing, volleyball and badminton, and is also planning a variety show to raise funds.

The prolonged cold weather is causing many wells in the district to go dry. The situation has been aggravated by the early shutting down of irrigation on the flats last fall.

Mr. and Mrs. J. A. Garner, of the Belgo, left last week for the coast to visit their daughter, Bertha, who recently underwent a serious operation.

Tom Davies, an old-time resident of Rutland, who operated a blacksmith shop here in the early twenties, passed away at Lethbridge, Alberta, at Christmas.

In addition to the three delegates attending the B.C.F.A. convention in Penticton, the members of the local A. Weighman, C. Buckland and Percy Green visited the convention for the Wednesday session.

Mr. and Mrs. Thomas Hughes have taken up their residence in the BMID house, formerly occupied by the McDougalls.

The home of Mr. and Mrs. George Cross was the scene of a social evening held by members of the Rutland Women's Institute, on Friday last. Mrs. George Mugford, the retiring president, was presented with a handsome gift as token of appreciation of her many years of service to the organization. The present consisted of a half dozen silver tea spoons, a sugar shell and butter knife. Mrs. Cross, the new president, made the presentation on behalf of the members. The retiring secretary, Mrs. F. Oslund, was also honored on this occasion by the presentation of a crystal cream and sugar set in appreciation of her untiring zeal on behalf of the Institute. Refreshments were served by the hosts, assisted by a number of members of the new executive.

## MOVIE QUICKIES

The great tradition for romantic adventure on the screen has seldom, if ever, hit such a peak of excellence as in Columbia's "The Swordsman", which opened today at the Empress Theatre. Filmed in all the glory of Technicolor and boasting an exuberant performance by Larry Parks in the dashing title role, "The Swordsman" is completely captivating film fare.

Sweeping action and tender romance feature this swashbuckler of a picture. Its swiftly-moving story of two feuding Scottish clans is replete with duels to the death, galloping horses, fiery love and colorful background.  
Parks, as the young scion of one warring clan, falls in love with Ellen Drew of the opposite faction. He longs to bring the eternal clashes to an end but circumstances dictate that he himself come into a violent conflict with his enemies. Parks kills one opponent in a thrilling exhibition of swordsmanship but is eventually trapped and taken prisoner. His kinsmen, however, prevent any harm to him when they arrange for an exchange of prisoners. Parks almost smoothes the troubled situation but violence once more erupts in a vicious hand-to-hand mass sword fight climaxed by his own triumph over the villain.  
Striking fire with the sheer vibrancy of his performance, Parks will win new adherents by a completely satisfying heroine and also has a way with a costume. Assorted Scottish stalwarts include George Macready, Edgar Buchanan, Ray Collins and Marc Platt.

**SATISFIED TAXPAYER**  
EDMONTON (CP)—A satisfied taxpayer took time out to write to the city hall: "Edmonton—the friendliest city on the North American continent—has the kindest mayor, the cleanest policemen and the most courteous officials of any city in the world—I'm glad to live in this fine city."

## OYAMA UNITED CHURCH NAMES NEW OFFICERS

OYAMA—Annual meeting of the Oyama United Church congregation was held in the church hall, Rev. S. Crysdale presided.  
Mr. Crysdale gave a report on his work in the church since his arrival last June and an inspiring talk on the 1949 prospects.

Mr. S. Thorsen gave an account of the board's accomplishments and listed a number of improvements for the coming year.

The treasurer, W. Dugate, gave the financial report. The meeting then discussed and adopted the budget proposed for 1949.  
Mrs. W. Carr gave an account of the work of the Ladies' Aid and Hand Tied Association reported on the Sunday School.

The following men were elected to the church board for 1949: Elders—Rev. S. Crysdale, G. F. McClure and the present to be elected later; stewards—S. Thorsen, W. Dugate, A. Arnott, A. Townsend and G. Potheary; trustees—O. W. Hembling, M. Middleton and J. P. Rouse.  
Representatives of the Ladies' Aid and Sunday School will be named later.

## WINFIELD CHURCH HAS GOOD YEAR

WINFIELD—The annual congregation meeting of the Winfield United Church was held in the church on Friday evening, January 21.

The report of the secretary, S. C. Jones, paid tribute to the memory of two members, Mrs. John Edmunds and Miss M. Fowler, who had passed away during the year. The retirement of Rev. J. A. Petrie was noted, also the appointment of Rev. R. C. S. Crysdale as new minister.

The report made welcome several newcomers who have joined the fellowship.

A new addition to the church is almost completed and is now being used for services.

The report of the stewards mentioned that the new addition had cost, up to the present, approximately \$1700 and that a special canvass of the members and adherents had been made with the result that \$523.70 had been collected.

The financial statement showed that receipts were \$2,695.34 and expenditures \$2,344.08, a balance of \$351.16 with accounts payable of \$426.18 so that there was almost a clear balance which was considered a very satisfactory taking into consideration the many new activities undertaken.

The budget for 1949 was tentatively set at \$1,300 and this budget will enable the church to become self-supporting and not ask any grant from the home missions board.  
The Women's Federation had an active year with a membership of 22 and an income from sales and teas of \$279.48 and plan an even more active year's work to come.

The report of the Sunday School showed a very healthy state of affairs. There are now 77 pupils on the roll and others are being contacted to increase the membership. The teachers have joined with the teachers of the other United Church Sunday schools in the charge in a teachers' training course under the leadership of Rev. S. Crysdale and all those attending report the course very helpful.

The Sunday School superintendent, Mrs. Phillips, stressed the need of picture books, blocks and such play things for the use of the nursery class which has a membership of 12.  
S. C. Jones, Geo. Edmunds, and Les Clement were elected trustees of the church party.

Six members were elected as a committee of stewards and these were J. McCoubrey, Geo. Edmunds, S. C. Jones, L. Bond, A. Arnold and L. Stowe.

Mr. S. Tyndal was appointed as a convener of the committee on ushers and caretaking.  
The dedication service for the new church will be held on Sunday afternoon, January 30 at 2:30 and will be followed by holy communion.

Mrs. B. Hoffman is a patient in the Kelowna General Hospital.

**BUILDING PERMITS UP**  
WINNIPEG (CP)—Building permits in greater Winnipeg for 1948 amounted to \$29,548,157, an increase of more than \$2,000,000 over the figure for the preceeding year.

## OYAMA YOUNG PEOPLE HOLD SKATING PARTY

OYAMA—The monthly meeting of the C.G.I.T. took the form of a skating party which was held last Friday night at the Oyama rink.  
About fifty young people of the district had an enjoyable evening. Cocoa and hot dogs were served from the canteen by Mrs. N. Allington, Mrs. G. F. McClure and Mrs. V. E. Ellison. Refreshment were provided by the C.G.I.T. girls.  
Mrs. J. Rounce, leader of the girls' group, saw to the smooth running of the affair and the public address system providing music for skating was looked after by G. F. McClure.

## DONALD MILLER HEADS LEGION AT PEACHLAND

PEACHLAND—Donald Miller was elected president of the Peachland branch, Canadian Legion at the annual meeting, while A. T. McLaughlin was chosen first vice-president.

Other officers are A. H. Whitehorse, second vice-president; H. Birkeland, secretary-treasurer, and P. Topham and J. Davies, executive. Two additional members of the executive will be appointed at the next meeting.

## OKANAGAN CENTRE

The regular monthly meeting of the Women's Institute of Okanagan Centre was held on January 13 at the Community Hall. The president, Mrs. H. Gled, and the newly elected secretary, Mrs. H. Bernau, officiating.

Convenors of standing committees were elected as follows: citizenship, Mrs. Gled; home economics and handicrafts, Mrs. Hunter; social service, Mrs. G. Reeves.

A collection was made of Christmas cards which are being sent to a veterans' organization in England which remakes them for sale. Roll-call was answered with "Resolu-

tions for the New Year". The social hour was convened and tea served by Mrs. Baker and Mrs. Van Ackeren.

Messrs. B. Cooney and A. T. Kobayashi were in Penikese recently attending the conference of Fruit and Vegetable Workers' Unions.

E. C. Nuyens attended the BCPGA annual convention in Penikese last week as delegate from the Winfield-Okanagan Centre local.

The Citizen's Forum circle at the Centre has been meeting all winter with a good attendance. Last week Miss MacLennan entertained and this Friday Mr. and Mrs. I. Hunter have offered their home.

## Rutland Committee Will Meet Irrigation Heads Regarding Water System

RUTLAND — A special meeting, held in the Community Hall, last Friday evening to consider the matter of domestic water for Rutland, decided to appoint a committee of five to interview the BMID trustees regarding the chances of a gravity system, that would use the irrigation district's tunnel as a reservoir.

The meeting was under the chairmanship of A. W. Gray, with Tom Hughes acting as secretary. The latter, as secretary-manager of the irrigation district, had made some preliminary investigations into alternative plans. He outlined a small plan, to take in about 75 houses, including the Rutland Co-op subdivision, and one or two other adjoining subdivisions. This would cost, he estimated, about \$6 per month to finance and operate, for each householder, a figure that was felt to be excessive by most, although it planned sufficient pressure to supply all domestic uses and fire protection as well.

Two five h.p. pumps and wells would be required for this project. A bigger pumping plant could be put in, with a succession of wells, to serve about 150 houses and most of the business section, but this would be just as expensive, unless the schools were included, and

shouldered a part of the cost.

The third proposal was for a gravity system, to run from the BMID tunnel by pipe line to the village, using the tunnel as a reservoir to provide a week or more supply in the rare event that Mission Creek would go dry for a week or more. In spite of the prolonged cold spell, there was still many times as much water running down Mission Creek at the intake today as would be needed to supply domestic water for the entire district.

If this gravity scheme could be made to serve 500 to 600 houses the cost, about \$250,000 to \$300,000, could be financed over twenty years, and the service maintained. Mr. Hughes stated for a charge of \$3 per month to each user.

The size of the sum required to finance the project rather staggered some, but it was pointed out by H. Murray that the district had already an investment in electric pumps and wells that probably equalled the cost of a domestic system. It was also pointed out that the increase in the number of septic tanks was going to threaten the health of the district by pollution of the wells.

After discussing the matter at some length the meeting adopted a resolution in favor of appointing a committee of five to meet with the BMID committee on domestic water, to discuss the possibilities of the gravity project.

Members appointed to the committee were: Fred Wostrowski, George Roy, L. Honig, George Muford and Cass Lehner Jr., with a representative from the BCPGA local also. The joint committee will meet in the BMID office on Friday evening (tomorrow). The BMID domestic water committee consists of four members, A. W. Gray, C. E. Stuart, E. Muford and T. S. Hughes.

The Rutland branch of the Kelowna Growers' Exchange is operating two graders for about a week's run on Newtons and Rome Beauties.

## BENVOULIN

BENVOULIN—The annual meeting of the Benvoulin United Church was held at the home of Mr. and Mrs. Alex Reid on January 14, with seventeen members present.

Rev. Stewart Crysdale gave a hearty welcome to all old and new members. The minutes of the last meeting were read by Wm. Hamill and were adopted.

There was a report from the committee in charge of repairs to the church and manse and though some very worthwhile work had been done more permanent repairs are needed. This was left in the hands of the stewards with power to act.

Mr. Crysdale thanked the congregation for the hearty welcome extended to Mrs. Crysdale and himself. He thought Benvoulin had carried on very nobly due to the fact that Kelowna was so near. He thought Benvoulin had turned the corner and would progress very rapidly. He urged Sunday School work, that a choir be organized and more young people's work be undertaken.

The treasurer's report was read and a budget adopted. Report on McMillan Circle and report on Sun-

## McGAVINS AND RUTLAND PUCK TEAMS ON TOP

McGavin's and Rutland continue to show the class in the commercial hockey league, both remaining undefeated after Sunday's games.

Sunday morning, Hugh Smith's Rutland sextet turned back the up-and-coming Bowling Club by a 4-2 count, while in the only afternoon fixture, the Bakers trounced the rugged Stampede 7-3.

Rowers started off with a two-goal lead but blew it as Schaefer, Auk, Koga and E. Hauser scored. Dave Chapman and Ward tallied for the Oarsmen.

Paced by O'Shaughnessy, Newton and Cowley, McGavin's turned in a smart win but only after a good tussle with the blue shirts. "Bullet" Paige, Bill McClaren and Jim Eldon were thorns in McGavin's dough all afternoon.

Black Bombers coasted to their first win of the infant season Sunday morning via the 5-2 route over the wireless Club 13. Bombers were sparked by Moraldo Rantucci and Harold Johnston on the blue side, while the usually turbulent Vince Ciancone and brother, Augie, played a sound game on the blue strip. Schneider, Would and Felt were the pick for the Clubbers.

Next games this Sunday are: Black Bombers vs. McGavin's, 9:15 a.m.; Rowing Club vs. Stampede, 10:30 a.m.; Club 13 vs. Rutland, 5:30 p.m.

If Whitehorse wins the first round, from then on they will be charged of the B.C. association. Allan Cup (Canadian Senior championship) finals will be held in Eastern Canada. The best of seven series will start around April 27.

**Memorial Cup (Canadian junior championship)** four-out-of-seven finals will be played in the west starting at the same date. This year, owing to the increase in railway fares and berths, hockey teams in Canada will only be allowed coach class transportation plus tourist berth.

Western Canada, intermediate playoff dates are: (semi-finals, best of five) March 15, 17, 19, 21, 23. (finals, best of seven) March 26, 28, 30, April 1, 2, 4 and 6.

## BLACK HAWKS NOW LEADING MIDGET LOOP

Split between the league-leading Chicago Black Hawks and Rutland Boston Bruins and the league footloose, Toronto Maple Leafs and Detroit Red Wings, widened on Saturday when the Hawks swamped the Wings 8-1 and the Bruins blanked Leafs 6-0.

This Saturday should produce plenty of exciting action in the midget league when the Hawks and Bruins tangle and the Wings will try for their first victory in the hook-up with Leafs.

## KELOWNA MAY SEE SENIOR B PUCK FINALS

With the Coy Cup (B.C. intermediate hockey championship) finals slated for Nanaimo, it appears almost certain now that The Western Canadian Intermediate (senior B) finals will be staged at either Kelowna or Vernon.

Actual site of the Western final is expected to be announced within a few days. The Okanagan also stands a good chance of landing the B.C. Alberta semi-final.

Last week it was reported that if Edmonton wins the Alberta title, the inter-provincial playoff will be held in the Okanagan. If a southern Alberta team wins that province's crown, the series with the B.C. winner will come off at Bellevue or Lethbridge.

The Canadian Amateur Hockey Association has accepted the entry of a service club from Whitehorse, Yukon, through the B.C. branch playoffs. The winner of the four-team Whitehorse league will travel to Nanaimo or Prince George at their own expense.

## Packers Ice Nine Players For Third Time But Good For Second Straight Win

(In unity there is strength. Numbers help but sometimes are burdensome—Charles Blais.)  
The short-handed Kelowna Packers have demonstrated in precise fashion that co-operation and co-ordination are more important than a bench-load of pucks.

Despite injuries that have forced them to ice only nine men in their last three Malmgren-Kamloops senior B league games, Ken Stewart's Orchard City crew hung their second straight defeat on the league-leading Kamloops Elks with a 5-2 triumph before 1,800 fans in Memorial Arena Tuesday night.

Kelowna's second win in a row after losing three straight left the league standings unchanged but pulled the basement-dwelling Packers to within seven points of second-place Vernon Canadians.

Playing with only two defencemen and six forwards, Packers backed up stellar netminding of Roy Worrall to rap in three quick goals in the bruising third period after the Elks, now coached by Paul Thompson, ex-Chicago Black Hawks' mentor, had come from behind to tie the game twice.

The visitors appeared to be trying too hard while the Packers made more of a success of it. Though the Elks had a 20-27 edge in shooting their passing plays were off color.

On the other hand, Packers backed checked as never before and showed Kelowna fans classy combination that hadn't been in evidence in their play since early in the season. Though noticeably tiring in the last frame, the surging Packers' will to win threw Kamloops strategy off stride.

Tempers flared to the bursting point in the rugged finale with two fights nearly touching off free-for-all and giving fans who braved the near zero temperatures in evening full of thrills with smart hockey.

Herbie Sullivan and Sonny McDonald both drew majors for fighting and a rinkside patron who tried to get in it was escorted outside by police. Just as the bell sounded, Cliff Mills, Kamloops' centre ace, made a pass at defenceman Jim Hanson and found a willing combatant in left winger Frank Hoskins.

**FROZEN PLURES** — Penalties were few with no scoring while the offenders were sitting time out. PACKERS were short two men for about a minute in the second period but they held on stubbornly.

With ROY WORRALL living up to advance notices, everyone of his eight team-mates were working for him and pulling their weight. For the third game in a row, KEN STEWART and JIM HANSON went the whole route without relief.

Stewart, however, got a two-minute rest for handling the puck. As a rearguard, Hanson is the find of the team. Hard-working EUD GOURLIE scored once and figured in three others. JACK FORSEY and former playing coach

### Over the fence

By W.L. MacTavish

"The greatest aid to medical science ever invented was the ball point pen."

Rather a striking statement? Well, it was made by a physician in England, and he signed as he made it. He was looking at the mass of certificates and forms he had to sign, to comply with government orders—socialist government orders.

The physician was one of many men in many callings and occupations in England today who find that, since the advent of the socialist government, the number of forms and certificates and applications they are required to fill out has multiplied and multiplied again.

"How is industry getting along in England?" an English visitor in Vancouver was asked.

"Well, the biggest industry is flourishing as never before," he replied.

"What's that?"

"Filing, in government offices," was the reply.

That is, of course, natural enough. When a government takes over the economy of a country and starts "planning," the paper work just grows and grows. Every little control means another little control, and the notices and forms and permits have to go from one government clerk to another government clerk, ad infinitum.

Under a socialist administration, government becomes the biggest and most important thing in the country. That is in the nature of things. But all the country and all its people have to carry the burden of government. As things are now, every Canadian is working about four months in the year for the government. Want more of it?

## TAKE A TIP FROM Experienced BUILDERS

**Choose MP MOISTURE-PROOFED WINDOWS AND DOORS**

Because the experienced builder knows these are the finer points of house building—the points where appearance, ease of operation and durability are absolutely essential. And he chooses MP Brand windows and doors because they fill ALL THREE requirements.

MP Brand windows and doors are designed to lend a pleasing personality to your home and the maximum of practical durability. Each MP window is scientifically MOISTURE PROOFED, making it shrink-, warp-, rot-, stain- and weather-proof, as well as easy to open!

The MP stamp on every door, window and frame is your assurance of the finest quality available in both workmanship and material.

If you are planning to build or remodel, take this friendly tip—see your local MP dealer today!

True-square precision built MP frames mean that windows fit perfectly.

1. Putty lock—keeps putty firmly in place indefinitely.  
2. Weather check prevents water creeping under window sill to inside wall.

## WEEKLY SKI MEET DRAWS MANY PEOPLE

With ideal skiing conditions and the road to the Kelowna Ski Bowl in excellent shape one of the best crowds of the year trekked to the bowl on Sunday for the weekly club competitions.

Competitions were restricted to downhill for boys and girls 14 and under and boys 18 and under. Here are the winners:

Girls 14 and under — 1. Lorraine White, 20 seconds; 2. Claire Scantland, 21 1/2 seconds; 3. Cecile Scantland, 22 seconds; 4. Alice de Puyfer, 30 2/5 seconds.

Boys 14 and under — 1. Rene Ruf, 20 1/5 seconds; 2. Doug Mervyn, 20 3/5 seconds; 3. Everett Lind, 21 1/5 seconds; 4. Bruce Brydon, 21 3/5 seconds.

Boys 18 and under — 1. Bill Jura-sawich, 20 3/5; 2. Bud Williams, 21 1/5; 3. Ross Darroch, 22 2/5; 4. Jim Scantland, 22 3/5; 5. Ralph de Puyfer, 26 3/5; 6. Alan Ribell, 27 4/5.

(Note: Both Scantland and de Puyfer are eligible for the 14 and under class and in the past have run away with the honors in that age group. However, on Sunday, they agreed to move up among boys up to four years older and made out well at that.)

With the Kelowna Ski Bowl's first invitational jumping tournament set for this Sunday, and the Okanagan zone championships at Summerland the following Sunday, the next weekly competition will not be held until Sunday, February 12.

## SKI BOWL CHRISTIES

By OLLIE

**SCHUSS SENDS REGRETS**  
The last thing SCHUSS said to me before he took him away was: "Ollie, my man, this week you are writing to that Courier fellow for me on account I haven't learned to write holding a pencil in my teeth. Now I haven't one of these writer fellows but I will only say that what Schuss did, he shouldn't ought to have done it."

So the Christians from the SKI BOWL, they are short this week for sure, because Schuss will tell you about it next week. But you can take it where you like it, that shee yumping next Sunday will be good. I'm watching the boys last Sunday and they were going a long way down the hill. Den dey tell men all the boys from outside will be up on the hill next Saturday practicing. That is good!

But you can also hold your breaths when these downhill fellas come over the top of that big hill, too. They are going so fast like these new zip planes. By jimminy, it will be good, yew bet!

Already too, for you peoples who have cars, the road up is being plowed out like it is hard road so that you have no trouble. And these shee queen girls, I think I buy lots of their tickets. Nice girls, you bet — and skiers, too.

So next Sunday, everybody with shees are going up on the two tow ropes and yumping diving through the air and those zip fellas coming down. I think it will be a good tournament and you should be there also.

I stop this now and go see my friend Schuss. Poor guy, he is not so good a jumper. No sir!

## CLIPPERS SHOW HERE TONIGHT

A capacity house has been predicted for tonight's hockey treat between the touring Nanaimo Clippers and the Kelowna Packers. Game time is 8:30.

The Nanaimo sextet currently is running away with the Pacific Coast Senior B Hockey League race and are generally considered top contenders for the Coy Cup this year. Ken Stewart's Kelowna crew will be going all-out for victory, the coach promised this week.

## THUNDERBIRDS FORGE AHEAD OF KAYCEES

Kelowna Thunderbirds advanced into the midjet final against Rutland Aces when they edged the Knights of Columbus midjets 3-2 in Memorial Arena Monday night. Thunderbirds previously had downed the Kaycees 5-3 in the best of three semi-final.

Rutland and the Thunderbirds hook up Saturday night in the first game of the series to determine a city and district representative in the B.C.A.H.A. playoffs. A bantam game is also slated for Saturday night, regular Minor Hockey Night in Kelowna.

## KHS RINK SEEKS PROVINCE TITLE

Bob Busch's Four Enters B.C. High School Curling Championship

A smart Kelowna High School rink will be seeking B.C. high school curling championship honors at Nelson next month. It was announced this week.

A high school rink skipped by Bob Busch, with Ken Moore, third, Pat Carew, second and Tommy Bebb, lead, will take part in the provincial championships in the Kootenay city February 21 and 22. The B.C. champion will be eligible to compete in the Canadian high school championships to be held in Edmonton this year on February 28 and 29.

Busch's rink is considered a good bet to go far in the B.C. hunt in spite of getting along on fewer practices than rinks using artificial ice. The boys have only lost one game so far in their play with senior men in the current Kelowna Curling Club draw.

## Hockey Rules

(Following many requests from interested hockey fans, the Courier is publishing on Thursdays excerpts from the official rule book of the Canadian Amateur Hockey Association.)

**ICING THE PUCK** — (Note: For the interpretation of the rule, "Icing the Puck" is completed at the instant the puck crosses the goal line). (a) For the purpose of this rule, the center line will divide the ice into halves. Should any player of a team, equal or superior in numerical strength to the opposing team, shoot the puck from his own half of the ice, beyond the goal line of the opposing team, play shall be stopped and the face-off shall be at either end face-off spots of the offending team, unless on the play the puck shall have entered the goal of the opposing team, in which case the goal shall be allowed.

(b) If the puck was so shot by a player of side below the numerical strength of the opposing team, play shall continue and the face-off shall not take place.

(c) If, however, from a face-off, the puck shall go beyond the goal line in the opposite half of the ice, it shall not be considered a violation of the rule.

(d) If, in the opinion of the referee or linesman, a player of the opposing team, excepting the goalkeeper, is able to play the puck before it crosses his goal line, but has not done so, the play shall continue without a face-off.

(e) If the puck shall touch any part of a player of the opposing team or his skate or stick before it shall have reached his goal line, it shall not be considered to have been "iced."

(f) If, in the opinion of the referee or linesman, a legal pass has been attempted by a player to another player of the same team, and the puck is not touched by any part of this player and goes beyond the opponents' goal line, it shall be considered as having been "iced" and there shall not be any stoppage.

(g) If the referee or linesman shall have erred in calling an "Icing the Puck" infraction when a team is below the numerical strength of its opponent, the face-off shall be five feet inside the defending zone of the team at the greater strength and midway between the sides of the rink.

(h) If the referee or linesman shall have erred in calling an "Icing the Puck" infraction when both teams are at equal numerical strength, the puck shall be faced in the neutral zone at the face-off spot farthest from the goal of the team last in possession.

### PROCEED WITH NEW ANGLICAN CHURCH HALL

Archdeacon D. S. Catchpole  
Gives Resume of Activities at Parish Supper

**FINANCES GOOD**  
K. R. Wood Named People's Warden As Other Officers Are Appointed  
The building and finance committee of St. Michael and All Angels' Anglican Church was given a vote of confidence and authorized to proceed with the proposed new parish hall, at the annual parish supper held last night.  
The rector, Archdeacon D. S. Catchpole, presided at the vestry meeting which followed, and he reviewed the activities of the church during the past year.  
New seating for the church had been completed in 1948, he stated; the heating plant had been installed, replacing the two old furnaces; negotiations were under way for securing a new console for the pipe organ and a stained glass window, depicting St. Cecilia, patron saint of music, had been placed in the south wall of the church in memory of the late Rev. Charles Edward Davis, M.A., rector of St. Michael's from 1924 to 1942.  
Broadcasting of the morning service on the second Sunday in each month had proved valuable, and contributions had been sufficient to date to pay for the charges, he stated.  
**Financial Report**  
The financial report, presented by C. M. Horner, treasurer, showed all obligations had been met and that business affairs of the church were in healthy condition. However, a request was made for fuller support from all Anglicans in the parish.  
The following officers were appointed or elected:  
Rector's warden, K. R. Wood; people's warden, J. H. Moore; auditor, C. G. Beeston; delegates to synod, W. A. Holton, W. B. Hughes-Games, H. G. M. Gardner; alternates, R. J. Marshall, C. M. Horner, F. A. Martin; church committee, A. C. Poole, R. J. Marshall, G. Briese, J. M. Jennings, W. Kane, C. M. Horner, F. W. Fridham, J. E. Simpson, W. A. Holton, Michael Reid, Alistair Cameron and H. G. M. Gardner.

### AMATEUR TALENT WILL FEATURE SUNDAY CONCERT

Some of the best of the city and district's amateur talent will be heard Sunday night at St. Joseph's Hall when the Knights of Columbus sponsor their first amateur night contest.

Members of the Father Pendozi Council have been working on the program for weeks and have lined up about 25 performers, prizes and judges. The Knights hope to make this amateur show an annual affair.

### URGES PROBING OF PREMISES

A. E. Clarke, building inspector, has suggested to City Council that before trade licences are granted, applications should be investigated by the licence inspector.

Mr. Clarke pointed out many firms have been granted licences to conduct business in establishments which are unsuitable.

Alderman Jack Horn agreed with the building inspector, stating that alteration under \$25 could easily change an entire building. At the suggestion of Alderman Jack Ladd the matter was tabled for one week.

**LIBRARY COSTS**  
Based on the Department of Municipal Affairs population figures, the city's tax for library purposes in 1949 will be \$4,750. City Council was informed Monday night. The matter was referred to the finance committee.

### G. D. HERBERT HEADS LOCAL CREDIT UNION

More and Larger Loans Taken Out in 1948 than in Any Previous Year

**NO BAD DEBTS**

Total of \$9,436.18 Loaned to 55 Members Last Year, Report Shows

Gordon D. Herbert was elected president of the Kelowna and District Credit Union, at the annual meeting held last Saturday in the Orange Hall.

Other officers elected for the coming year were vice-president, E. McIntosh; treasurer, Harold M. Willett; and secretary, H. Ablett, Mrs. I. Weiss and L. Ivens.

Mrs. A. Ivens was elected chairman of the credit committee, comprised of C. S. Sordy, R. G. Manton, W. Moonen, and E. Storgaard.

1948 committee members of the supervisory committee are Jack Gee and William Talbot, with Jack Krimmer as chairman.

The president, S. R. Davis, stated that 1948, more and larger loans had been taken out than in any previous year since the credit union's organization.

Mrs. A. Ivens, chairman of the credit committee, stated that during the year the sum of \$9,436.18 was loaned to 55 members. All loans granted covered various items, such as the purchase of a home, a farm, a city lot, payment of taxes, life insurance, improvements on houses, doctor and dentist bills, and some cases the consolidation of small accounts. All loans were repaid on a monthly basis, plus interest.

Harold M. Willett, in presenting the 1948 financial statement, stated that loans taken out in 1948 amounted to \$9,436.18, while loans since incorporation amounted to \$36,507.12.

He said there were 234 members in good standing, and that not one dollar had been lost in bad accounts in the past ten years. At the conclusion of the report members sanctioned a motion asking the directors to pay 3 per cent interest on all fully paid up shares as at December 31, 1948.

A report from the supervisory committee was given by Jack Krimmer, who stated that twelve meetings of the committee had been held during 1948 for the purpose of examining all books and loans to see if they were in order.

### OBITUARIES

**DAVID DALLMAN**

Last rites for David Dallman, who died at his Rutland home on January 15, 1949, at the age of 88, were conducted on January 19 by Rev. A. G. Streifling of the Seventh Day Adventist Church. Interment was in Kelowna cemetery.

Born in Poland, Mr. Dallman settled in Winnipeg in 1887 when one of the founders of the downtown district. Mr. Dallman's first home in Winnipeg was on the site of the present T. Eaton Co. store. He has been residing in the Kelowna district since 1938.

Surviving are his widow and three sons and three daughters: Lewis and Edward in Rutland; Albert, at Seattle, Wash.; Mrs. J. Brash, in Winnipeg, Man.; Mrs. F. Cross, in Seattle, Wash.; H. Peters of Congress, Sask.; 26 grandchildren and 37 great-grandchildren. Pallbearers were: P. Zebel, A. Bohnke, J. Kundt, H. Kuhn, S. Kuhn and S. Schlowski.

### KELOWNA MAN B.C. CHAIRMAN FINANCE BODY

Carl Brannan, city treasurer, has been appointed provincial chairman of the Municipal Finance Officers Association of U.S. and Canada, it was revealed today.

The appointment was made by C. L. Beazley, K.C., deputy minister of municipal affairs of Nova Scotia, who is also international president of the M.F.O.A.

Mr. Brannan succeeds Frank Jones, comptroller of the City of Vancouver, who was last year's provincial chairman.

**Active Membership**  
The active membership is composed of public officials, such as auditors, comptrollers, accounting officers, and treasurers of cities, towns, villages and counties, as well as provincial, state and federal officials concerned with finance and accounting. Many accountants specializing in municipal work are associate members. Total membership is not known.

The association acts as a professional association and service bureau for its members. It gathers data of current interest and formulates principles of accounting.

Many books and pamphlets dealing with municipal accounting, municipal debt, municipal revenues and public pensions have been prepared

by the organization. Schools for local finance officers have been conducted in several states. The association maintains an inquiry service through which it answers yearly hundreds of questions for public officers.

### LOCALS GIVEN 8-4 DRUBBING BY CANADIANS

VERNON — Scoring eight goals in a row without a countering reply, including a five-goal spree in the third period, Vernon Canadians hammered Kelowna Packers for an 8-4 loss at Vernon last night.

Two goals within the opening couple of minutes saw the best Kelowna fight displayed on Vernon ice for quite a few Wednesdays. Again the Packers looked as if they might stretch their winning streak to three games as they swarmed all over the Vernon cage in the first period.

First Period — 1, Kelowna, Goult (McIntyre) 1:24; 2, Kelowna, Johnson (Goult) 1:21; 3, Kelowna, Hoskins (Sullivan, Mittle) 6:44; 4, Vernon, Donald (McKay) 6:58. Penalties: Hanson, Hoskins, McKay.

Second Period — 5, Vernon, Miller (McIntyre) 1:24; 6, Vernon, Elliott (Hryciuk, Smith) 11:44. Penalties: McKay, Stewart.

Third Period — 7, Vernon, Mellor (McKay) 1:05; 8, Vernon, Miller, 2:25; 9, Vernon, Hryciuk (Smith) 3:40; 10, Vernon, Neilson (Smith, Hryciuk) 6:07; 11, Vernon, Hryciuk (Smith) 9:37; 12, Kelowna, Hanson (Mittle) 12:01.

**KAMLOOPS** — Kamloops Elks wallowed the touring Nanaimo Clippers 15-3 in the first game of a two-game exhibition series at Kamloops.

The Kamloops tore the Nanaimo team apart in a dynamiting offensive that lasted from start to finish. The travel-weary Nanaimo crew found the small ice surface a handicap.

Clippers will return here on Friday after a game at Kelowna on Thursday (tonight).

### MRS. G. INGLIS PASSES AWAY

Funeral service for Mrs. George (Ella May) Inglis, 777 Harvey Ave., will be held on Saturday, January 29, at 2:30 p.m. from the chapel of Day's Funeral Service, Rev. W. Lees, First United Church, officiating. Interment will be made in Kelowna cemetery.

Mrs. Inglis, who had resided in this district for the past 15 years, passed away at her home on Wednesday, January 26, at the age of 70. Born in Summerside, P.E.I., Mrs. Inglis and her husband, who predeceased her in June, 1942, came to the B.C. district in 1935 from Alberta where they had farmed. She moved to her late home on Harvey Avenue in December, 1942.

She is survived by five brothers and two sisters, Wendell and John in Maine, U.S.A.; Arthur and Wilford in Prince Edward Island; Everett in Ponoka, Alta.; Mrs. M. McEachern, South Edmonton and Miss Ethel McDowall of Kelowna. Pallbearers on Saturday will be: F. Nichol, A. Davis, A. McFarlane, O. McFarlane, S. Tucker, G. Mervyn, C. Johnstone and C. Pohlman.

### DEATH CALLS EDGAR D. SCOTT

Edgar D. Scott, 528 Roanoke Ave., resident in Kelowna since 1935, passed away in hospital here on Saturday, January 22, at 57 years of age. Mr. V. R. Salls will conduct the funeral service this afternoon (Thursday) from the chapel of Day's Funeral Service and interment will be in Kelowna cemetery.

Born in Sault Ste. Marie, Ont., Mr. Scott resided in Alberta before coming to the Okanagan. He had been in ill health for some time. He was a blacksmith by trade. Surviving are his wife, Mrs. Edna Scott, one daughter, Mrs. Jack Smith of Vancouver, and two grandchildren; one brother, Stewart, Spokane, Wash.; four sisters, Mrs. Warren, Fernie; Mrs. Molan, Chicago; Mrs. Allardie, Victoria and Mrs. Fisk, DeRoche, B.C.

### U.E.F.B. FUND TOTALS \$877.23

Contributions to date in the United Emergency Fund for Britain drive totalled \$877.23, it was announced this week.

Of this amount, \$743.23 was received by the committee after scores of circular letters were distributed. The balance — \$134 — was turned in by donors to the banks.

Contributions may still be turned in to the fund through the treasurer, O. France, 348 Bernard Ave.

The commonly held theory that oysters are poisonous in any month of the year isn't spelt with an "R" is false, but no doubt the oysters enjoyed the mistake.

by the organization. Schools for local finance officers have been conducted in several states. The association maintains an inquiry service through which it answers yearly hundreds of questions for public officers.

### FRUIT HEADS ATTEND EAST CONVENTION

Kelowna delegates to the Canadian Horticultural Council meeting to be held in Ottawa from February 1 to 4, will be J. R. Y. Barrat, T. Wilkinson, F. L. Fitzpatrick, E. Poole, A. C. Lander and D. C. Stevenson.

Following this convention, Messrs. Lloyd, McNair, Lander and Fitzpatrick and Stevenson will journey to Quebec City where they will attend the Canadian Fruit Wholesalers' annual meeting.

### SET UP FUND FOR RETIRED B.C. TEACHERS

Kelowna and district school teachers will be asked to contribute \$1.50 a month for three months to establish a welfare fund for superannuated teachers.

This decision was reached by the B.C. Teachers' Federation executive when a report revealed that 30 per cent of the superannuated teachers in B.C. now receive less than \$40 per month. Representations on behalf of these teachers were made to the dental laboratory operated by E. R. Owen, at J. and E. M. Busch, building contractors; Alverda M. MacKenzie, 2240 Pendozi Street, home handicrafts; A. K. Lebeck and Earl M. Watt, hauling contractors; Frank J. Schmidt, 223 Wilson Ave.,

hauling contractors; Rodney E. Smelser, restaurant, Teller Block. Military expediency has wrought an international mechanical agreement, after 50 years of talking about it, and a British bolt will be made to the size of a US nut.

SPRING IS COMING. SO is sum-

plumber! The Okanagan isn't "sun-  
ny" now. As one man said: "Holy  
cow!" Cars are stalled, pipes are  
frozen, everyone's got a big red nose.  
The fire's gone out, my what next!  
People are inclined to be quite vex-  
ed. When will it end? Come on  
Spring! We're all at home. Don't be  
afraid to ring! The wood piles low.  
And so is the coal. Shall we be like  
a bear and crawl in a hole? I nearly  
forgot! It's birthday time! What shall  
I buy? That's super fine. I think I'll  
go to 1580 Water Street. For three  
dollars a year it's a gift that just  
can't be beat!

## Kelowna in Bygone Days

Taken from the files of the Kelowna Courier

### TEN YEARS AGO

**Thursday, January 26, 1939**  
B. C. fruit growers took one of the most important steps in their career at Vernon on Wednesday morning when they endorsed a central selling, asking for elimination of the present distribution system and the adoption of all sales through one central system with sales prorated among all shippers. The growers' exchange plan was swept off the boards as the Golden Jubilee Convention voted by a large majority in favor of the proposal as brought forward by Nelson Arm. As a follow-up, President A. K. Loyd appointed a committee to investigate all angles of the central selling deal. On the committee were: Mr. Loyd, D. M. Hattay, Salmon Arm; F. Leguiz, Vernon; T. Wilkinson, Kelowna; A. McLachlan, Summerland; G. A. DesBrisay, Penticton and A. Miller of Oliver.

Kelowna city council is supporting Kelowna's request to try to have the train bearing the King and Queen in their cross-Canada tour stop for a longer period in Kelowna and in daylight.

A program for controlling dogs running loose in the city will be adopted.

Possibility of having daylight saving time in Kelowna was discussed at the annual meeting of the Retail Merchants' Bureau. Don Whitman was elected chairman, with the following executive: H. Waldron, grocer; F. Sutton, meat; D. Leane, hardware; R. H. Brown, drugs; F. Chaplin, bakers; C. Owen, dry goods; Mr. Cowie, general.

Two more Kelowna youths, Dave Chapman and Lawrence Ashley, soon will leave the city to join the Royal Air Force in Britain. Gordon Munro left earlier.

### TWENTY YEARS AGO

**Thursday, January 24, 1929**  
Despite dissatisfaction expressed by some members, a special meeting of the Kelowna Growers' Exchange decided not to sever its connections with the Associated Growers. A request for separate pooling will be tendered the Associated by K.G.E.

J. W. Jones was named speaker of the legislature at the formal opening Tuesday afternoon.

Mr. Bierring, a representative of a fruit co-operative in Copenhagen, Denmark, visited the Kelowna this week and expressed the view that a big market awaits Okanagan apples in his native land.

Several prizes were captured by Kelowna curling rinks at the Interior bonspiel at Salmon Arm. The Kelowna rinks were skipped by Billy Harvey and W. R. Trench.

The Produce Marketing Act was

## A Mass Meeting

OF THE RATEPAYERS OWNING PROPERTY SOUTH AND EAST OF THE CITY OF KELOWNA

will be held in  
RAYMER AVE. SCHOOL—8.00 p.m.  
THURSDAY, JANUARY 27, 1949

All ratepayers owning property located within a reasonable distance south and east of the present limits of the City of Kelowna are urgently requested to attend, for the purpose of forming a ratepayers association, electing a full slate of officers and adopting a set of by-laws.

PHIL EASTMAN,  
Temporary Committee Chairman.

## "I'm in business for myself"

"Yes, I'm in business for myself now, and I like it. Ten years ago I started my own service station on little more than the smell of a gasoline rag. I had a choice of suppliers and I chose Standard of B.C. I've stuck with them ever since. Today I own my service station outright. In the next ten years I aim to do even better. That's why I like this job and this country. I've got the opportunity to do what I like and make as much of my life as I can. Where else but in Canada or the United States could I do that today?"

says AL. BEST

## PIE AND APRON SALE AT OYAMA IS BIG SUCCESS

OYAMA—The pie and apron sale, sponsored by the Kalamalka Women's Institute, proved a successful affair with approximately \$40 being cleared which is to be donated toward the Vernon Jubilee Hospital. The well-filled pie stall was a complete sell-out and was in charge of Mrs. J. Young and Mrs. E. Thorlakson.

The other stall with its display of attractive and dainty aprons, was in charge of Mrs. M. Stanley and Mrs. D. Braund.

A delicious angel cake was raffled by Sylvia Stanley. It had been donated by Mrs. G. Potthecary.

### YOUR CHILD NEEDS IT

All growing children need vitamin D each day, all year 'round. And they need it especially these short, dark winter days. Vitamin D is a sure preventive medicine against rickets, a disease which affects hundreds of Canadian children each year. Vitamin D is cheap and easy to obtain. It is found in sufficient quantities in ordinary food.

## LOCAL LODGE HOLDS JOINT INSTALLATION

Knights of Pythias and Pythian Sisters Hold Colorful Installation Ceremony

The Orange Hall in Kelowna was the setting of a joint public installation ceremony recently, when the Knights of Pythias, Okanagan Lodge No. 27, and the Pythian Sisters, Orchard City No. 6, installed officers.

Sister Bea Erickson was installing officer, while Sister Norma Morrison carried out the duties of grand excellent senior, with Sister Ivy Lansdowne as grand manager. Re-Lansdowne was expressed at the absence of the most excellent chief sister, Bessie Gordon, due to illness.

Officers installed were senior, Anne Wigglesworth; excellent junior, Ida Williams; manager, Sadie Clement; mistress of finance, Gladys Danoch; mistress of records and correspondence, Bea Erickson; protector of the temple, Elsie Phipps; outer guard of the temple, Ethel Stewart; degree captain, Norma Morrison.

At the close of the impressive ceremony, Margaret Morrison, as flower-girl, escorted Sister Morrison to various stations, where she presented each officer with a corsage.

Following the Pythian Sisters ceremony, the Knights immediately took over their installations of officers.

Grand chancellor, Jack Mayor; grand prelate, James Briscoe; grand master at arms, Alan Lansdowne performed the duties of installing officers.

Officers installed were chancellor commander, Alf Davidson; vice chancellor, Ed Erickson; prelate, Claude McClure; master of works, Alan Lansdowne; treasurer, William Budden; inner guard, Robert Phipps; outer guard, Archie Sawyer.

Other officers absent were R. Lewis, secretary; Bill Morrison, master of arms; and F. Probin, finance.

Following the installation ceremony, a banquet was held after which everyone joined in a sing-song.

The certificate for past chancellor was presented to Ed Erickson for his services during the past term as chancellor commander.

## Anglican Women's Auxiliary Honors Pioneer Members

Seven long time members of the Anglican Women's Auxiliary were honored at the regular meeting of St. Michael's W.A., held in the Anglican Parish Hall last Friday.

They were: Miss E. J. Edgell, Miss J. A. Dykes and Mrs. H. J. Hewitson, who joined in 1907; Mrs. E. Bagley, Mrs. T. J. Flinders, Mrs. M. R. E. Keon, and Mrs. J. R. Beale, all of whom joined during World War I. All were present at the meeting except Mrs. Beale, who was prevented from attending through illness.

The president, Mrs. K. R. Wood, voiced the deep appreciation of the meeting for their loyalty, devotion, and many years of uninterrupted service, several of whom have served nearly forty years. Gifts presented to these members were badges of the Auxiliary, consisting of a Winchester cross, placed on a silver bar, designed by members of the St. Michael's Auxiliary, and made especially for this presentation. As the president read the names and years of service of each member, Mrs. L. A. Polzin pinned on the badges.

Mrs. Wood, beginning her third year as president, presided at the meeting, and in her opening remarks, welcomed several members of the Evening Branch W.A., and other visitors.

After the presentation, lantern slides were shown, on the Auxiliary's 1949 study book, "One Family," dealing with mission work in China, Japan and India. Mrs. Wood gave a descriptive reading as the pictures were shown.

A new series of programs has been arranged by the United Church Young People's organization. At a recent meeting an interesting discussion took place on the "Lord's Day Act" and films rounded out the evening.

The program for the next few weeks is as follows:

February 2: Talk on photography, by Jud Ribbel.

February 9: Valentine party.

February 16: Missionary life by Rev. and Mrs. D. M. Perley.

February 23: Mock city council meeting.

A play entitled "False Alarm" is also on the agenda for the coming months, and will probably be produced in the spring.

All young people are cordially invited to attend these meetings held every Wednesday evening, in the United Church.

MEETING

The regular monthly meeting of the Women's Hospital Auxiliary will be held on Monday, January 31, in the Board of Trade rooms, at 3:00 p.m. All old and new members are cordially invited to attend.

PURITY "Prince Charles" CAKE

A great new name for a beautiful new cake! For high days, holidays, Sunday or any day this new PURITY Flour triumph is easy to look at, really good to eat and, lucky, lucky it's home-made in cost. Clip the recipe right now. Better still skip out to the kitchen and start baking.

PRINCE CHARLES CAKE

1/4 cup butter, shortening, or other soft mild fat  
1/2 teaspoon vanilla extract  
1 1/2 cups brown sugar  
2 eggs  
1 1/2 cups sifted PURITY FLOUR  
1/2 teaspoon salt  
2 1/2 teaspoons baking powder  
1/2 cup sweet milk  
1/2 cup chopped walnut meats to decorate.

Cream butter or shortening and add vanilla. Blend well. Gradually add sugar. Beat until mixture is light and fluffy. Beat eggs with rotary beater until foamy, add gradually to fat, sugar mixture. Beat thoroughly. Sift together PURITY flour, salt and baking powder. Add dry ingredients alternately with milk, making 3 or 4 additions. Add walnut meats. Stir gently and quickly until batter is blended. Do not overmix. Spread into two 9" layer cake pans, well greased. Bake in moderate oven (350°-375°F) 20-30 minutes. Let the "cake" 5-10 minutes before removing from pans.

Maple icing... Melt 2 lbs. Cream filling... Melt 2 lbs. butter over direct heat, add food color. Beat until mixture is light and fluffy. ## KELOWNA WOMAN STARS ON RADIO AT HOLLYWOOD

Mrs. Olive Nell of Kelowna, who is visiting for three months with relatives in Hollywood, California, proved to be a hit attraction when she appeared on the "What's the Name of that Song" television show on Station KTSL.

She was chosen as a contestant by Master of Ceremonies, Bill Gwin and won a Halliburton aluminum luggage case on the audience participation show which is seen on nearly 75,000 home televisions in the Southern California area. Another presentation of the show is aired weekly over the Mutual-Don Lee radio network in behalf of Wildroot hair dressing.

Mrs. Nell is visiting in the movie and television capital with her sisters-in-law, Mrs. O. Salisbury and Mrs. J. McKean, for the first time in 25 years.

Mr. and Mrs. Rex McKenzie, with Brian, left recently for a trip to Alberta, where they will visit Mrs. McKenzie's parents, Mr. and Mrs. Christenson, at Wrentham, and Mr. McKenzie's parents, Mr. and Mrs. L. McKenzie, at Wrentham. They plan to return to the city in three weeks.

Mr. and Mrs. E. R. Wilby entertained last Saturday evening, honoring Mrs. O. Dow, of England, who is visiting her sister-in-law, Mrs. P. C. McLaurin.

## Mrs. Ian MacLaren Elected President Listening Group

Mrs. Ian MacLaren was elected president of the Kelowna Listening Group at the annual meeting held last Monday evening at the home of Mr. and Mrs. J. N. MacFarlane, Bankhead. Mrs. MacLaren succeeded Mr. Edric Oswald as president.

Other officers elected for the coming year are vice-president, Mrs. J. N. MacFarlane, succeeding Mr. G. Y. L. Crossley; Mr. Les Johnston was re-elected secretary-treasurer; and Miss Lynn Crossley was elected librarian, succeeding the late Mr. S. R. Elliot.

In his report, Mr. Oswald paid tribute to the club's late librarian, Mr. S. R. Elliot for his untiring efforts and splendid co-operation at all times. It was decided that the group would continue its affiliation with the U.B.C. Alumnae Association.

Mr. Johnston, secretary-treasurer, read the financial report which showed the club to be in good standing. He also read a report of the late librarian which showed that during the year the club had played

514 sides and presented 22 programs. Two programs had been entirely provided by dealers who had also demonstrated their newest instruments. Motion pictures were also shown by the Kelowna and District Film Council.

Mr. Elliott made a record index covering 2,632 sides, all of which music is in the city and available at all times to the club for playing. Mrs. J. W. Cope and Mr. Jack Ritch were thanked for their services in printing the programs throughout the year.

Meetings will continue as usual on alternate Mondays for the coming year at the homes of various members. The club will cancel its February 7 meeting so as not to conflict with the concert sponsored by the Business and Professional Women's Club but instead will meet again next Monday, January 31, at the home of Mr. and Mrs. J. N. MacFarlane.

Following the business meeting members enjoyed a performance of William Walton's "Belshazzar's Feast".

## Weddings

LOWE-COUBINS

The manse of the First United Church in Kelowna was the scene of a quiet wedding last Thursday evening, when Lois Jean, daughter of Mr. and Mrs. Edward Coubins, became the bride of James Edward Lowe, son of Mr. James Lowe, of Toronto, and the late Mrs. Lowe. Dr. M. W. Lees officiated at the ceremony.

Given in marriage by her father, the bride wore a blue velvet suit with black accessories, and pink carnations on corsage.

The couple were attended by Mr. and Mrs. William MacLaren. Following the ceremony, a reception was held at the home of Miss Grace Angus, with Mrs. MacLaren assisting the hostess in serving.

Mr. MacLaren proposed a toast to the bride and the groom responded. Mr. and Mrs. Lowe will make their home at 1433 Ellis Street.

REEVE-URICH

OKANAGAN CENTRE — A pretty wedding of interest took place Wednesday of last week, at St. James' Roman Catholic Church in Vernon, when Helen, daughter of Mr. and Mrs. M. Urich, of Okanagan Centre, became the bride of Mr. Reeve, son of Mr. and Mrs. E. Reeve, of Winfield, Rev. J. Miles officiated at the ceremony.

The bride, who was gown in white satin, wore a floor-length veil and carried a shower bouquet of red roses, was attended by Miss Joyce Reeve, the groom's sister, and her own sister, Miss Amelia Urich. They chose for the occasion pink and blue satin respectively.

Following the ceremony, a reception was held at the home of the bride's parents. In receiving the guests Mrs. Urich was assisted in wine satin, and wore pink carnations on corsage, while Mrs. Reeve chose plum crepe worn with a corsage of white carnations.

Later in the evening, the wedding party and guests retired to the Okanagan Centre Community Hall, where dancing was enjoyed until midnight.

Mr. K. Reeve, of Vernon, the groom's grandfather was a guest at the wedding and stayed on for several days, a guest at the home of Mr. and Mrs. E. Reeve.

FRENCH-CLARKE

WESTBANK — The marriage of Leila June, only daughter of Mr. and Mrs. A. L. Clarke, Westbank, and of Floyd Franklin, eldest son of Mr. and Mrs. Roy French, Winfield, formerly of Loreburn, Sask., was solemnized at a candlelight ceremony in Westbank United Church on Saturday evening, January 22.

Carrying a shower bouquet of roses, carnations and fern, and charmingly attired in a white satin gown with tulle yoke trimmed with seed pearls, and wearing a floor-length veil, the bride entered the church on the arm of her father to the strains of Lohengrin's wedding march.

The groom's gift to the bride was a diamond watch, and for the "something old" she carried a lace handkerchief of her grandmother's. To the attendants the groom gave bracelets.

The matron of honor, Mrs. C. Seltenrich, Winfield, sister of the groom, and the bridesmaid, Miss Kikuiko Taneda, girlhood friend of the bride, led the way up the aisle. Both looked lovely in floor-length dresses in blending turquoise and blue tones, and carried bouquets of mums and carnations in white and pastel shades. The groom was supported by his brother, Mr. Donald French, of Winfield.

The ceremony was performed by Rev. H. S. MacDonald. Ushers were Mr. A. Seltenrich, Winfield and Mr. Ross Futak, Westbank.

During the signing of the register Miss Gwyneth Reece sang, "O Perfect Love" accompanied by Miss Joy MacKay, who also played the organ.

bridal music. Following the ceremony a reception was held at the home of the bride's parents. Here the principals, with their parents, Mrs. Clarke, in a two-piece black moire, and Mrs. French, in a black crepe and wearing corsages of mums and carnations, received the sixty-odd guests.

The three-tiered wedding cake, topped with wedding bells, centered the lace-covered bride's table and was flanked by tall tapers. The Rev. Mr. MacDonald toasted the bride, to which the groom responded.

Mr. and Mrs. French left later for their honeymoon, which they are spending in the States. For going away, the bride chose a costume in blue-gray gabardine with brown accessories. On their return they will take up residence in Westbank.

Out-of-town guests, besides visitors from Winfield, included Mrs. Clarke's sister and brother-in-law, Mr. and Mrs. W. Ewing, of Vancouver, and Mr. Clarke's brother, Mr. John J. Clarke, Toronto.

Members of the Junior Women's Auxiliary of Westbank United Church catered for the reception and waited on the guests.

Operation of Okanagan Health Unit Outlined to Peachland PTA

PEACHLAND — Miss J. Appleton, public health nurse, was the guest speaker at the monthly meeting of the Peachland Parent Teachers' Association, Miss Appleton gave a general outline of the health service provided in the Okanagan.

She explained the health unit comes under the provincial department of health, and that 30 cents per capita goes toward the salary of the health nurse. "It is your service," Miss Appleton said, "and it is your co-operation that makes the service what it is."

The speaker pointed out the province is divided into eight districts. The South Okanagan, with Kelowna as its centre, having nurses at Penikese, Summerland and Kelowna. She spoke of T.B. and the means taken to control the disease. The mobile X-ray unit had done some excellent work, Miss Appleton said. It is only through the co-operation of the public that excellent results have been achieved.

Speaking of venereal disease, Miss Appleton pointed out the danger if not given immediate treatment. Free treatment is given to those who cannot afford it, she said. The speaker thought if the public could be educated in such matters it would promote a healthy nation.

Intelligent Mothers

In her travels, Miss Appleton said she had found young mothers very intelligent. The week after they come home from hospital with babies, she calls to help and advise them on the care of the child. She preferred them to come to the baby clinic as soon as possible as this gives more time to talk to mothers individually.

In conclusion, Miss Appleton touched on communicable diseases, such as scarlet fever, and small pox and told of the preventive measures taken by the health unit.

Mrs. G. W. Munro, president, thanked Miss Appleton on behalf of the P.T.A.

Mrs. N. Witt was appointed representative on the community fair committee. Tribute was paid to the teachers for their co-operation in sponsoring the Christmas concert.

Mrs. C. H. H. will help with the clerical work at the baby clinic on February 7. Representatives of other organizations will be requested to assist in the May 24 celebration, and K. Domi was appointed convener of this committee.

Mrs. F. Topham Jr., Mrs. G. R. Topham, Mrs. C. H. Ing, Mrs. T. McLaughlin, Mrs. J. Mohler and Mrs. N. Witt were appointed on a committee to arrange for an entertainment some time in March. A donation of \$25 was given to the handicraft club. Mrs. F. E. Wright gave a short address and presented past president pins to Mrs. F. E. Wright and Mrs. G. R. Topham.

Tea was served by the hostesses, Mrs. G. A. Smith and Mrs. T. McLaughlin.

Operation of Okanagan Health Unit Outlined to Peachland PTA

PEACHLAND — Miss J. Appleton, public health nurse, was the guest speaker at the monthly meeting of the Peachland Parent Teachers' Association, Miss Appleton gave a general outline of the health service provided in the Okanagan.

She explained the health unit comes under the provincial department of health, and that 30 cents per capita goes toward the salary of the health nurse. "It is your service," Miss Appleton said, "and it is your co-operation that makes the service what it is."

The speaker pointed out the province is divided into eight districts. The South Okanagan, with Kelowna as its centre, having nurses at Penikese, Summerland and Kelowna. She spoke of T.B. and the means taken to control the disease. The mobile X-ray unit had done some excellent work, Miss Appleton said. ## Release Correspondence

In releasing the correspondence that has transpired between the Kelowna School Trustees and the Kelowna District School Teachers' Association, the following letters have been handed out for publication, in order that taxpayers may know the facts of the case:

On January 22, E. W. Barton, secretary-treasurer, was instructed by the board to write the following letter to D. S. C. Wood, secretary of the local teaching body:

"I am directed to inform you that the trustees have very carefully considered your request for salary increases for teachers. The board has noted that your request for these increases is based solely on the grounds of an advance in the cost of living from December 1946 to December 1948. The board finds that the cost of living, according to Dominion Bureau of Statistics figures has advanced from \$127.1 in December, 1946, to \$159.6 in December, 1948. This is equivalent to a rise of 25 per cent.

"You should know that the Pension Board is appealing the recent award to the supreme court on several grounds, including the inaccuracy of the figure used of 27 per cent, and the ambiguous and contradictory nature of the treatment set out in the award for experience.

"The trustees have decided that an advance in the salaries based on the rise in the cost of living can only be computed on the existing beginning salary in each category, and that increments that have been granted for experience do not enter into the adjustment.

"The board has therefore directed me to advise you:

"(1) that they will negotiate for 1949 salaries only, and not for a schedule under existing circumstances;

"(2) that based on a 25 per cent increase on the beginning salary paid in January 1948 in each salary category, they hereby offer the salaries indicated on the attached sheet;

"(3) teachers on the elementary staff who have not already been credited with 14 increments of \$100 each, and those on the secondary staff who have not been credited

with 18 increments of \$100 each will receive an increment in September at the rate of \$100 per annum;

"(4) these salaries are calculated on an elementary school minimum of \$1,625 and increments of \$100 per annum and a secondary school minimum of \$2,000 and increments of \$100 per annum. The respective maximums that have been used for the calculations were \$3,000 and \$3,800;

"(5) teachers holding an EA or an SA certificate have been awarded an additional \$100.

"In conclusion the trustees would urge upon you the desirability of the question of teachers' acceptance or rejection of this offer being decided by secret ballot in which every teacher on the pay-roll votes."

## Receive Reply

On January 26, Mr. Wood sent the following reply to Mr. Barton:

"The teachers of the Kelowna District Teachers' Association of the Okanagan Valley Teachers' Association held a meeting on January 25, 1949 to discuss the salary offer in the School Board's letter dated January 22nd, 1949.

"I have been directed by our teachers' association to inform you of the following information which we request you to bring to the attention of the Kelowna School Board immediately.

"1. The teachers of this district reject the board's offer made in the letter dated January 22nd, 1949.

"2. The teachers of this district are willing to accept the Pension Board arbitration award dated January 8th, 1949, as a fair salary schedule to apply in this area effective January 1st, 1949.

"3. Should the Kelowna District School Board be successful in its offer to the teachers of this area of at least the Pension award, we are demanding that the matter be submitted to arbitration immediately according to the procedure laid down in Section 136 of the Public Schools Act.

"4. Since negotiations have been going on for some time, we request an answer on or before Friday, January 28th, 1949 so that any necessary arbitration can be completed before February 14th, 1949.

"5. Should you consider it necessary, in view of the above statements, to take the matter to arbitration, would you please be advised that we are naming Mr. V. L. Dryer of Vancouver as our arbitrator, and will you kindly name the arbitrator chosen by the school board on or before January 28th, 1949.

"6. We are willing to meet the Kelowna School Board at any time to discuss these salary matters more fully.

"You should know that Salmon Arm, Vernon, Summerland, and probably Keremeos have accepted the Pension award.

"We trust that you will give this matter of a new salary schedule your immediate attention."

## WORRALL RESIGNS

Roy Worrall, goalie for Kelowna Packers, a member of the city office staff, has resigned. Council was informed Monday night. It is understood Mr. Worrall complained that the work was affecting his health and his physician advised him to change to other work.

## 2 McNAIR FRUIT SALES

(From Page 1, Column 5)

advised growers to clean up their own affairs in the Valley before they criticize the wholesalers too much. There was, he said, a great sense of responsibility from the growers forward to the consumer than there was from the sales force backwards through the packing houses to the growers. He said that between twenty and twenty-five per cent of the growers and the packing houses were not co-operative and were a detriment to the selling organization.

Mr. McNair has always maintained that the success of the B.C. fruit deal depended entirely upon quality. Year in and year out he preached quality.

Some months ago, Mr. McNair sold his property in Kelowna.

## 3 G. RANNARD HEADS

(From Page 1, Column 3)

Dry Goods was named vice-chairman. The committee will consist of the following representatives of the various trade classifications: W. A. McGill, drugs; Mr. McGregor, groceries; H. Johnston, grocer; J. McGilguy, hardware; T. E. Gray, ladies' wear; C. F. McClure, meats; A. Warren, miscellaneous.

Each of the above named representatives will act as chairman in a rotating group to deal with problems relating to the particular trade. Matters pertaining to the retailers as a whole will be dealt with by the whole RMB executive. Guest speakers, Mayor W. B. Hughes-Games and F. N. Gisborne, president of Kelowna Board of Trade, voiced regret for poor attendance at the meeting. Some 25 members of the committee of 69 were present. There are over 200 retail licence holders in the city, the mayor said.

Suburban Classification

His Worship concluded that the apparent apathy on the part of the retailers indicated they were satisfied with the 40 per cent increase in licence fees last year. He said the city council was always anxious to hear representations from the merchants or licence holders on revisions in licence scales.

The mayor referred to the possible inclusion within the city limits of heavily populated areas adjacent to the city boundaries and asked for the bureau's support of the plan named by the mayor at the first of the year as one of the 1949 objectives.

Contending that the projected move was advantageous to both the city ratepayers and the people in the various districts concerned, Mr. Hughes-Games observed that the major objections may come from the "outside" merchants if they have to conform strictly with the city closing hours.

The mayor suggested that the outlying stores be separately classified and allowed to remain open for a short time longer. Most of their business is done late in the day, he explained.

In reply to a question later, the mayor said the city has the power under the Town Planning Act to classify suburban areas and set retail hours in same.

During his brief remarks, Mr. Gisborne urged the bureau to call on the board of trade for assistance at any time.

Set Holiday Closing

Retiring president, Jack Gordon, who is a member of the present executive "ex officio," recommended in his report that complaints of stores outside the city limits making deliveries inside the city be probed (this is illegal, he said); that the bureau strive for a uniform half-holiday in the valley; that merchants devise a plan for welcoming tourists; that merchants co-operate with the local credit bureau; that a membership drive be undertaken.

Mr. Gordon said he believed the time had come when the retailers "will back up their association and seek its help."

The meeting approved its annual

TELL IT TO THE DOCTOR

All too frequently we have people come and tell us of their aches and pains, and ask us what to do for them.

True, a Pharmacist spends many years learning the compounding of chemicals and their action on the human body.

However, your doctor has spent many more years learning what causes those aches and pains and what to prescribe for them.

TELL IT TO YOUR DOCTOR, but when he writes a prescription have it filled accurately, with the purest ingredients, by qualified dispensers at

## MRS. F. J. FOOT NAMED HEAD OF LIBRARY

Succeeds O. L. Jones Who Has Held Post Since Library Board Formed

Mrs. F. J. Foot, Kelowna school board representative on the Okanagan Union Library board, at last Thursday's library board annual meeting, was elected president, succeeding Owen J. Jones, M.P. for Yale, who held that post since the board was formed in 1936 until his resignation two weeks ago.

Alderman J. W. Johnson, representing Kelowna's city council, was named vice-president and G. C. Hume, Glenmore representative, was re-elected treasurer.

Councillors are: T. H. Elliott, Salmon Arm city council representative; Maj.-Gen. R. F. L. Keller, Kelowna's city council representative; C. A. King, Oliver school board representative, and H. Page Brown, representing Spallumcheen municipal council.

Mr. Jones was unanimously chosen as honorary president, Mrs. Foot Summerland municipal council.

as retiring vice-president acted as chairman of the meeting, held in the Kelowna branch.

The Kelowna librarian, Mrs. Muriel Foulkes, reported on the progress made by the library during the past year. She said there now are 15,467 people using the library and 242,654 books were circulated during 1948, an increase of 51,929 over 1947.

Fifty-two branches now are in operation from the northern Shuswap, where the people are served by a mail service, to the International Boundary. Two new branches were opened in the Summerland municipality last year, one in the lower town and the other at Trout Creek. In addition some 47 schools are receiving library service with about 6,745 children using the books, Mrs. Foulkes reported
